#### PUBLIC NOTARIES, (NOT ATTORNEYS.)

Henry Chapman Kemp,	Edward Robertson,
Edmond Preston,	N. Paliologus,

#### *The following is the order of business during the Term.*

Monday and Thursdays no new causes in the Common Law paper and no Equity causes on evidence to be heard; they are to be devoted to litigated motions, both in Law and Equity. If these should not occupy the day, Common Law arguments on demurrers, special cases, &c. and then Equity cases on argument of pleas, demurrers and exceptions to be taken.

On the other days, no litigated motions to be taken—but Common Law and Equity causes in their order in the respective papers of causes, those which are called on and not fully heard on Wednesday to be taken on the Thursday notwithstanding the above rule.

During the Sittings after term motions of course and such contested motions as can be heard out of term are taken every day at the sitting of the Court. After these are gone through the Common Law Board is called on, while any cases remain in it, then the Equity Board and then the Ecclesiastical.

In vacation a Judge sits in Chamber, every Tuesday and Friday at eleven o'clock, but Counsel do not appear on contested motions until twelve.

## RULES FOR CHAPLAINS IN CONDUCTING THEIR DUTIES.

*Extract from the Proceedings of the Right Honorable the Governor General in Council under date the 20th August, 1813.*

1.—As the most natural distribution of Clerical duties seems to be that of alternate weekly attendance, the Presidency Chaplains are directed each in their turn, to perform all the surplice duties at the Church and Burying Ground, during one whole week.\*

2.—That the Fees paid on account of Interment (as detailed at the conclusion of these Rules) be established into a Fund, to be collected as heretofore, by the Clerk of the Select Vestry, who is required to present his accounts of this Fund to the Select Vestry at their Monthly Meeting; when an equal distribution is to be made to the Chaplains, as a part of the ordinary business of the Meeting.

3.—With respect to the Fees arising from Marriages and Christenings, as in a Settlement like Calcutta, the rates cannot conveniently be defined, but must be left discretionary with Individuals, they are to be according to the present practice received by the Clergyman himself, and not constituted into a Fund, with a view to avoid the embarrassment which might arise, by the Clergyman having to return Monies from time to time to the Clerk, and by his having to keep accounts current between them.

4.—As occasions of interruption may occur to the regularity of this arrangement, when Individuals from a regard to friendship, or the ties of consanguinity, or other cause, incline more to one Chaplain than to the other, it appears but proper that these feelings should be indulged. The regular Chaplain of the Week is consequently on these occasions to give way, and expect no account from his colleague, of the emolument connected with such special calls; excepting in the case of Burials. The accommodation is mutual, and in his own turn he will reap the benefit of it.

5.—As other interruptions also to the weekly arrangement may arise from the absence of one of the parties, whether such absence be caused by

\* It is provided by the 68 Canon of the Church of England, that the Priest after having had due notice (i. e. the evening preceding the day on which the funeral is to take place,) shall meet the Corpse at the entrance of the Church yard, &c. &c. and, by the said Canon, it is declared that the Priest shall do this, under the pain of Suspension from his Ministry for the space of Three Months.

necessity, or choice, the Officiating Chaplain is to receive the emolument; this Rule, however, is to be subjected, to any private amicable adjustment, that the Chaplains may make for their mutual accommodation. Should, however the absentee's place be temporarily supplied by another Chaplain, the latter is to receive his share of the surplice Fees.

With respect to the rates of Fees for the Burial Service, it has been thought proper to continue to charge the same sums which have heretofore been received on account of Funeral Fees, with some modifications, calculated to relieve the lower classes of the community, upon whom the Fees formerly charged might be thought to press too heavily. With these views, the following Rules have been established, which it is hoped, will afford relief to the public, without materially affecting the just rights of the Chaplains, viz.

1st. That the Fee for interring a Body in the Ground be, if brought in a Hearse or Coach.....	Rs. 32
2d. Ditto for entering a Body in a Puckah Grave, the dimensions of which are not to exceed in length 9 feet, and in breadth 5½, be.....	82
3d. Ditto, if brought on the Shoulders, and Coffin ornamented, and entered in the Ground.....	12
4th. Ditto, if ditto, and Coffin unornamented	
5th. Ditto, if brought on the Shoulders, and placed in a Puckah Grave.....	24
6th. A Tomb-stone perpendicularly erected, not to be considered as a Monument, nor if laid on the Grave, if it does not exceed two feet in width	
7th. A Monument, when the Ground occupied is equal to the Grave or not exceeding 10 feet in length and six in breadth.....	50
8th. A ditto, ground double the Grave.....	100
9th. A ditto ditto, treble the Grave.....	150
10th. The dimensions of a Monument are not to exceed the abovementioned sizes, without the special sanction of the Select Vestry, whose duty it should be to limit the spaces occupied in the Burying Ground.

A Candidate for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home*, unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officer of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

## No. 456. GENERAL ORDER.

*Horse-Guards, 24th August, 1827.*

His Majesty being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Diemen's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827 to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, what ever, may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale; and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command,

HENRY TORRENS, Adjutant General.

## MEMORANDUM.

*Horse-Guards, 20th June, 1830*

Subalterns upon Half-Pay who may be desirous of retiring, receiving a commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

## MEMORANDUM.

*Horse-Guards, 30th April, 1830.*

Captains who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

## No. 478. GENERAL ORDER,

*Horse Guards, 18th July, 1829.*

His Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz. —

	Acres.
Lieutenant-Colonel .....	1200
Major .....	1000
Captain .....	800
Subaltern .....	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period,

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled;—The reserved Money will then be paid to him.

By Command of the Right Honourable,

The General Commanding in Chief,

HERBERT TAYLOR, Adjutant-General.

## CIRCULAR, No. 647.

*War-Office, 21st November, 1829*

SIR,

The King having been graciously pleased to direct that the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action should be consolidated and amended, and that certain additional Regulations relative thereto shall be established, I have the honour to transmit, for the information and guidance of the Officers under your Command, a Copy of the amended Regulation, and have the satisfaction to acquaint you that His Majesty has directed, that in all cases in which Officers now on the Pen

sion List shall, during periods of not less than Five Years, have been in receipt of Pensions for Wounds received in Action they shall in future enjoy their Pensions without being subject to the inconvenience of personally appearing from time to time before the Army Medical Board.

I have, &c.

H. HARDINGE.

Officer Commanding  
Regiment of

*Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.*

GEORGE R.

Whereas we think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14<sup>th</sup> Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

*Regulation.*

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2nd. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3rd. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be giving according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowance to which an Officer may be entitled, without any deduction on account thereof.

CALCUTTA, 26TH JULY, 1830.

As considerable misapprehension has been found to exist on various important matters of fact and of practice in the trade of this place, as regards the disposal of Consignments of property from England and remittances for the same, and as much inconvenience has resulted from such misapprehension, the subscribers consider it expedient to set forth certain facts within their experience, and to state their views and intentions as to certain points of practice. In pursuance of such their purpose, the subscribers represent.

- 1 That all sales of imported goods, effected on the usual terms of Credit, are attended with more or less risk, for which the prevailing rate of del credere Commission has been..... 2½ per cent.
- 2 That the discount for interest, usually allowed to purchasers, on payments made within the term of credit, being about the rates current among native bankers, and generally in the bazar, is, as it purports to be, an allowance for the market value of money, for the time to intervene before it would otherwise fall due, and is not, therefore, as in England, an inducement held out to purchasers to lessen the risk of Credit by anticipating payment. This will be more evident from a comparison with the practice in England :  
There the rate of interest is ..... 5 pr. cent. pr. an.  
Whereas the usual discount for cash on anticipated payments of purchases at 3 months is ..... 5 per cent  
Here the rate of interest is generally ..... 10 pr. cent pr. an.  
and discount for 3 months ..... 2½ per cent
- 3 That as, in cases of sales being guaranteed, the del credere Commission is earned immediately on the sale being concluded, by the seller becoming liable for the risk, no part of the said Commission can be forfeited by a subsequent settlement, should any take place, of the amount sale under discount.
- 4 That the highest rate of exchange on London which can with certainty and safety be realized for the sicca rupee is 1-10½d. Sterling, and that this is likely to be the case, so long as the currencies of the two countries remain unaltered, and while the cost of freight and insurance continues to be what it now is.
- 5 That operations in produce, based on a higher rate of exchange on England than 1 10½d. involve a risk, the extent of which is exactly in the ratio of any excess of the said rate of 1-10½d. and that, consequently, any indemnification for such risk must, to be adequate, be also in that ratio.
- 6 That private bills on England are rarely to be had here with other names than those of the drawers, and that the causes which occasion such wide differences in the value here of such bills, render it impossible to fix any rate of del credere Commission which could be made uniformly applicable
- 7 That, considering the circumstances already stated, it cannot reasonably be expected of an Agent to guarantee to constituents a higher rate of Exchange than 22½d; that it is not incumbent on an Agent to purchase private bills, unless by order, and at the risk of Constituents; and that an Agent is at all times warranted in effecting remittances in Government Bills, Specie, or Bullion, in any case of doubt, or uncertainty, or in the absence of instructions from Constituents.
- 8 That the matters of fact, and the views entertained on points of practice, as detailed in the preceding clauses have regulated generally the dealings of the subscribers with their Constituents in Great Britain.

A

L I S T

OF THE

BRITISH & FOREIGN

**Inhabitants of Calcutta**

AND THE

UPPER PROVINCES

OF

BENGAL AND ITS DEPENDANCIES,

(NOT INCLUDED IN OTHER LISTS OF THIS WORK.)

WITH THEIR RESIDENCE, OCCUPATION, &c. AS FAR AS ASCERTAINABLE.

---

*The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they, therefore, solicit all who feel an interest in its accuracy, and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.*

*As the whole List is kept standing in Type and is published twice a Year, they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.*

The cases, with the report of the members by whom they have been investigated, are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicants being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, or the Committee, according to the exigency of the case.
